TREASURER'S REPORT: 1986

At year's end, the Town's general fund had \$288,261.27 cash on hand as compared to \$328,000.00 at the end of 1985. Invested surplus funds earned was \$14,093.75 while it was only necessary to spend \$550.00 to borrow for a brief period in the year.

1986 will have to be remembered as the year the pressures of growth became apparent in the Town of Milton: sub-division talk became construction plans, after 25 years the sewer project got underway, 1.5 million dollars of new residential construction added to tax rolls, the camp road issue took on new dimensions, town officials moved up the street, and the feds ended Revenue Sharing.

1986 was also a year where the tax rate down by \$2.00 per thousand. Already 1987 budgets suggest a major tax hike next year. When looking at March budgets, figure every \$50,000.00 of new expenditure equals an additional one dollar per thousand on the tax rate. On the other hand every new one million dollars assessed valuation brings in \$50,000.00 in revenue. Add county, school and town increases and you get the November tax increase. It seems like in March it is time to solve town problems and in November it is time to reduce taxes. There is a direct connection between the two months.

Revenue Sharing

During the year \$12,306.90 was received from the U. S. Treasury. \$450.32 was earned on the funds and on December 31, 1986 a total of \$12,306.90 was paid into the General Fund, directed toward street lighting and land fill expenses.

Durgin Fund

The fund totaled \$89,594.65 January 1, 1986 and totaled \$94,029.06 January 14, 1987. \$6,857.53 was earned from the money market account along with \$176.88 from Con Edison stock totaling \$7,034.41 in receipts for the year.

Three expenditures totaling \$2,600.00 were made from the fund: \$500.00 to Nute High for the Olympics of the Mind trip, \$2,000.00 to Cartographic Associates for the tax map, and \$100.00 to Milton Elementary for Natures Classroom.

Total receipts of \$7,034.41 less \$2,600.00 expenditures show an increase in principal of \$4,434.41. \$35,000.00 of excess principal were earmarked at special town meeting for purchase of the new Town Office. With that obligation the funds principal is actually \$59,029.06.

Sewer Report

As of January 22, 1987 \$3,752,950.25 has been spent on sewer and treatment plant construction. A breakdown of those expenses are:

Administrative	\$ 27,000.10
Preliminary	16,520.60
Land & ROW's	6,337.00
Engineering	547,440.00
Construction	3,086,970.20

Contingency	13,855.80
Interest	31,347.16
Phase 1 (design)	8,864.52
Legal & Fiscal	14,504.87
Catch Basin	110.00
	<u>\$3,752,950.25</u>

Actual project completed is about 82% while funds budgeted and spent are at 72%. Additionally, \$37,644.61 has been earned by investing idle funds.

We are expecting to begin treating sewage May 1, 1987 so hook ups will proceed at that time. We anticipate quarterly billing so the last half of 1987 will see some revenues and because we anticipate expenditures, we need to make appropriations for the same.

Respectfully submitted,

VICTOR JOOS, JR.
Treasurer

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

At this time I would like to thank the members and auxiliary of the Milton fire department for their assistance during the past year. Without their help my job would be a lot more difficult.

We are all aware that the town of Milton has grown a lot in the past couple of years. New housing, changes in old housing and changes in roads are all things that have an effect on the fire department as it relates to fire prevention and suppression. If at any time you know of changes, permanent or temporary, that have an effect on the fire service please do not hesitate to contact a member of the Milton fire department so that we may continue to keep fire losses in Milton to a minimum.

Remaining up to date in the emergency medical services is a never ending job. There are always new things to learn, old techniques to update and new materials to learn about. All of these things take time. Time that is given freely by these people so that the town of Milton will have the best and fastest service that can be provided by a volunteer organization.

COMMUNITY DEVELOPMENT REPORT

Milton applied for and was successful in receiving a \$350,000 Community Development Block Grant in 1985 for the purpose of rehabilitating twenty-nine units of low-moderate income housing and providing sewer hook-ups for twenty additional units in the Milton Village target area. The original timetable called for the 18-month project to be completed by June of 1987. Because of the program's delayed start, however, the need to coordinate with the Sewer Project's timetable, the current C.D. Program has been extended several months.

To date, approximately twenty-five applications for assistance have been received and of these, some twenty-two have met the income eligibility guidelines. \$165,000 of the available \$292,000 has been committed or spent so far for rehab projects and it is likely that the original goal of twenty-nine units will be exceeded.

Assistance is available to qualified applicants in the forms of 100% grants for low income residents and 3% loans for moderate income residents or owners of rental property occupied by eligible tenants. As all residents of the sewer service area will be required to connect their homes to the system, any village residents who suspect they might qualify should fill out an application in order to help defray these expenses.

An application has been submitted to extend the scope of the project in the present target area for a second round of funding. Before the project can be extended to include other sections of the Town, studies must first be conducted to provide the data to support a subsequent application. To this end, the Community Development office plans to apply for a Planning Grant this spring to fund the cost of a feasibility study for the Town's other two population centers.

I wish to acknowledge the support and assistance of the Selectmen, the Community Development Advisory Board and the residents of Milton in the Program's success so far. Special thanks go out to Dotty Paey and Victor Joos for sharing their combined wealth of information about Milton and its residents and to the local C.A.P. office for program co-ordination. Residents interested in the program are invited to drop in at the Selectmen's office or give us a call at 652-9414.

OFFICE OF RECREATION SERVICES

1986 SUMMARY

This past year has seen a lot of improvements in our facilities. The following improvements were made at the ball park: new spectator bleachers, 16 ft. square sand box, reconstructed parking lot, cleared brush in order for up coming new facilities, with a new memorial sign installed by Tom Drew.

The Bicentennial Park also saw new improvements with the clearing of brush alongside the river bank for expansion of park and parking area.

One negative area, we have seen extreme damage to the ball park concession buildings. All in all a good year with great improvements.

1987 PLANS

Reconstruction of damage to concession buildings will be first at hand, with the front gate to be set back for better use of tennis court. There will be more brush clearing and burning, along with repair work to the ball park fence, backstop, and dugouts, to install new safety railings for bleaches, and to renovate the Milton Mills park area. We have a recreational activity program in motion and

the revitalization of Milton Commons in conjunction with the Woman's Club of Milton. There will be a special ceremony for officially dedicating the new memorial sign for the Lockhart Ballpark. A real busy year ahead for us, but a most rewarding one for you.

RURAL DISTRICT HEALTH COUNCIL, INC.
ANNUAL REPORT - 1986

The Rural District Health Council is entering its' 18th year as your certified home health agency providing your town with skilled nursing, physical therapy, occupational therapy, speech therapy, medical social worker, home health aides and homemakers; a comprehensive Hospice program certified by Blue Cross Blue Shield and GE insurance. A 24 hour answering service with a nurse available 24 hours a day, 7 days a week with home visits made as indicated is an important service.

The year 1986 has brought some sadness and gladness to the agency. On July 13, 1986 the agency staff and communities were greatly saddened by the passing of Myrtle Walsh, R.N., a dedicated staff nurse for 13 years. Just a nurse in the field making home visits to the elderly, handicapped and sick, reassuring them with a smile, a hug, a touch of the hand and teaching the value of life as she knew it in Giving; Myrtle a truly born nurse, will be missed by her family, friends, co-workers and mostly by her patients.

The Board of Directors has been searching for larger headquarters for the agency. The purchase of 4 Winter Street was completed on June 2, 1986 and the summer was a busy one with renovations and general grooming of the building. On October 27, 1986 the office of the Rural District Health Council was moved to the new location.

1986 has seen many changes in the health care field, hospital census down, home health census up with medicare paying less for services needed; hospitals making agreements with individual home health agencies to provide care for their service area, some of the smaller agencies joining forces with others in order to continue services.

The Board of Directors and staff would like to thank the families of the following for naming memorial contributions in their names.

Grace Kendall	Myrtle Walsh
Martha Hilton	George Eaton
Dorothy Nichols	Christina Berry
Stanley Dearborn	Charles Maggio, Sr.
Mildred Calef	Thomas Gaskill
James Pierce	Florence Coughlin

The Board of Directors of the Rural District Health Council voted to increase the per capita amount to \$3.70 for 1987. We will look hard throughout the year keeping a check on charges and expenses in order to continue to provide quality care for the least costly amount.

During the past year the Council has made for your town 271 skilled nursing visits, 57 therapy visits, 220 home health aide visits, 7 homemaker hours; there have been 55 child health home visits, and 49 child health clinic visits.

There's no place like home, especially when you are ill--For more information call the office at 4 Winter St., Farmington, N.H. 755-2202.

MINUTES OF THE ANNUAL 1986 MILTON SCHOOL DISTRICT
MEETING MARCH 12, 1986 7:00 PM

The Annual Meeting of the legal voters of the Milton School District was held on the above-mentioned date at the Nute High School Auditorium. Meeting was called to order by Moderator, Donavon C. Current, presiding, followed by the repeating of the Lord's Prayer and Pledge of Allegiance to the flag.

Article 1. Holly Swope made the motion, seconded by David Buchanan, reports of agents, auditors, committees and officers chosen be approved as reflected in the School District report. Motion carried.

Article 2. David Buchanan made the motion, seconded by Mary Current, that this article be temporarily postponed as the intent will be considered under Article 5. Motion carried.

Article 3. Mary Current made the motion, seconded by David Buchanan, that the School District raise and appropriate the sum of twelve thousand dollars (\$12,000.00) for the purpose of paving the driveway and parking lot at Nute High School. Motion carried. Note -- This appropriation of \$12,000.00 is included in the total budget figure in Article 4.

Article 4. Holly Swope made the motion, seconded by David Buchanan, that the district raise and appropriate the sum of \$1,684,216.00 for the support of schools, for the salaries of school district officials, employees and agents, for capital construction, and for the payment of the statutory obligations of the Milton School District. Judith Clough made the motion, seconded by Frederick Russell, to ensure that we go through the budget line item by item. Scott Berry made an amendment, seconded by Douglas Shute, that Article 4 be postponed for one week if we go through the budget line by line. Amendment was not carried. The motion to go through the budget line by line passed. Scott Berry made the motion, seconded by Robert Srnec, to set up a committee to investigate the feasibility of pulling out of SAU#44. Point of order by Virginia Banks--motion to set up a committee to investigate the feasibility of pulling out of SAU#44 is out of order at this time. Point of order prevailed, and motion will be allowed under Article 7.

Victor Joos made an amendment to the main motion to change the figure to \$1,500,000.00 and authorize the Town Moderator to appoint a three member budget watch committee to review monthly expenditures at the first board meeting of each month making recommendation to the board and reporting back to the 1987 School District Meeting concerning a deficit appropriation to complete remaining one-third of fiscal year, 1986-87. Robert Srnec presented a petition signed by ten members to vote on Article 4 by secret ballot. The amendment was carried. The motion that the district raise and appropriate the sum of \$1,500,000.00 for the support of schools, for the salaries of school district officials, employees and agents, for capital construction and for the payment of the statutory obligations of the Milton School District, and authorize the

Town Moderator to appoint a three member budget watch committee to review monthly expenditures at the first board meeting of each month making recommendation to the board and reporting back to the 1987 School District Meeting concerning a deficit appropriation to complete remaining one-third of fiscal year, 1986-87 was passed by secret ballot vote of 71 Yes votes, 28 No votes.

Article 5. Mary Current made the motion, seconded by Virginia Banks, that the voters of Milton vote to authorize the School Board to appoint three (3) qualified voters to a regional cooperative school district planning committee for the purpose of developing a proposal for a regional school district; said committee members to report back to the District at the Annual School District meeting. These three qualified voters are to serve with other appointed members from the town or towns of Wakefield and/or Middleton. Victor Joos as a member of the committee appointed last year to investigate the feasibility of incorporating school districts or school systems with the idea of reducing taxes to a lower level gave his report at this time. Mr. Joos, speaking on behalf of the nine member committee, stated they came up with a proposal to plan a cooperative school district with the towns of Middleton, Milton, and Wakefield, which they perceive as a feasible one. Motion carried.

Article 6. Mary Current made the motion, seconded by Robert Snec, that the School District authorize the Milton School Board to make application for and to receive and expend, in the name of the school district, such advances, grants-in-aid, or other funds for educational purposes as pay now or hereafter be forthcoming from the United States Government and/or state agencies, private agencies, and or other sources, in accordance with the provisions of RSA 198:20-b. Motion carried.

Article 7. Scott Berry made the motion, seconded by Roger Libby, that the School District look into the pros and cons of pulling out of the SAU#44 and authorize the School Board to appoint a committee to accomplish same. Motion carried.

Mildred Gilman made the motion, seconded by Robert Snec, that the meeting adjourn. Motion carried. Meeting adjourned at 10:30 P.M.

PRINCIPAL'S REPORT ELEMENTARY SCHOOLS

In the area of curriculum, the Milton Elementary Schools have further developed and improved the integrated Language Arts program. Additional computers have been added. Teachers have been trained in their use, largely through the efforts of staff member David Johnson. The result has been that computers are now incorporated into more curriculum and clerical areas. There is preliminary work being done toward the establishing of a gifted and talented program.

Both schools have new playground equipment provided through student fundraising efforts. Three classrooms have been furnished with new furniture. A new furnace at Milton Mills is providing more adequate and efficient heat. Several rooms have been painted and new shades have been installed in a few rooms at each school.

This year three changes in staff positions continue to provide for excellence in teaching:

1. Emma Lou Jenkins has replaced Mrs. Clough in grade 3
2. Marianne Trapp has replaced Nancy Robinson in grade 4.
3. Margaret Buchanan serves as Resource Room aide and playground aide at the Grammar School.

All teachers are involved in staff development programs. Each teacher has set goals for improved performance.

The schools are busily involved in activities for curriculum-related field trips, concerts, craft fairs, and making plans for student activities such as Cross Country Skiing and Nature's Classroom.

The staff has been trained in the Assertive Discipline program. A goal for this coming year is to help children become more responsible in matters of individual self-control. Other areas to be addressed will center on the curriculum areas of Health and mathematics.

Personal goals of mine are to keep communication lines open and to keep parents aware of children's needs. There also appears to be a great need for additional space for both classrooms and support personnel teaching stations.

We wish to thank the Milton Women's Club for sponsoring the annual art contest and providing academic awards in June of 1986. Our thanks goes to our parents....Mrs. Colbath, Mrs. Fowler, Mr. and Mrs. Butler and Mrs. Culverhouse as well as our teachers.... Miss Corning and Mrs. Sager for coaching, under the direction of Linda Hanley, our four Odyssey of the Mind groups. Three of the groups participated at the State finals. We also appreciate and thank all who supported our schools in their efforts toward providing our children with quality education. We continue to welcome help from any who have time to donate to our children.

PRINCIPALS REPORT NUTE HIGH SCHOOL

1986 marked another year of achievement for students at Nute High School. Vernon Bonar, Kevin Sawyer, Todd Gaulin, Scott Gaulin, Carrie Barrett, Michelle Wyatt, and Lisa Garnett represented Nute High School in the State Odyssey of the Mind Competition. The team repeated as division champion and represented New Hampshire in the world finals in Flagstaff, Arizona for the second consecutive year. The Nute Chapter of the Future Business Leaders of America repeated as an honor chapter. Cheryl Martin, Michelle Wyatt, Laura Banks, and Lisa Marchant place first in individual competitions while David Rodrigue secured a second place in the Mr. FBLA competition.

The graduating class of 1986 consisted of 41 students. Fifty percent of the class has elected to continue their education in a variety of Universities and Vocational colleges. Lori Ward and Timothy White earned valedictory and salutatory honors respectively as the two seniors maintaining the highest grade point averages throughout their four years at Nute. Timothy White became the first Nute High School graduate to enroll at a United States Service Academy when he entered West Point this past fall.

In athletics the varsity girls' volleyball, basketball, and softballs completed undefeated seasons with the softball team winning the state tournament for the first time.

In closing, I would like to extend a sincere word of appreciation to the individuals and organizations who sponsor the scholarships and awards presented each year to our outstanding scholars and athletes, and to the people of Milton for their continued support of education in this community.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and citizens of the Milton School District:
Enrollment in the Milton Schools as of Octoberr 1, 1986 was as follows:

GRADE	1	2	3	4	5	6	7	8	9	10	11	12	TOTAL
Milton Mills	36	41											77
Milton Grammar			41	40	37	41							159
Nute High School							41	48	45	41	41	32	248
													484

The Milton School District is also responsible for the education of handicapped children assigned as follows: Strafford Learning Center programs: 1-PEP; 3-TAC; 4-TIP; 1-ASE; 1-CIT; Wakefield District-Wide-3; Wakefield Self-Contained - 4; Farmington Self-Contained - 1; 2 - WACC; 1 - Chamberlain School; 1 - Spaulding Youth Center and 1 - New England Pediatric Care. These pupils raise the total number of children being educated by the School District to 557.

The replacement of teaching staff in the Milton Schools was as listed below when school opened in September 1986:

<u>REPLACED EMPLOYEE</u>	<u>REPLACEMENT</u>	<u>GRADE/SUBJECT</u>
Nancy Robinson	Marianne Trapp	Grade 4
Linda Stone	None - position deleted	
Judith Clough	Emma Jenkins	Grade 3
Linda Damon	Arlene Goodman	Business 7-12
Roger Shelton	Peter Skjold	Science 7-12
Robin Model	Jean Bragan-Finkle	7-12 English
Martin Zarli	Richard Penny	Physical Education
new position (vacancy)	James Buzzell	Math

One of the topics to be discussed this year at the District meeting deals with the establishment of a public kindergarten. As I consider a public kindergarten program to be crucial for the educational development of our children, I wish to strongly recommend passage of this article and underscore my comments in last year's report. In an article entitled **WHAT'S AHEAD FOR EDUCATION**, Harold L. Hodgkinson, former Director of the National Institute of Education, refers to the tendency in modern American society to think in terms of the Norman Rockwell concept of the working husband, the housewife and two school children as the typical American family. Hodgkinson goes on to state that this traditional description of the family unit holds true for only 7% of American households; 14% of American children today are illegitimate, 40% will be living with a single parent by their eighteenth birthday, 30% are latch key children and 15% have physical or mental handicaps. These statistics underscore the importance of publicly funded preschool programs and in particular, kindergarten programs. I urge the voters of the District to consider funding such a program as there is considerable research such as the Ypsilanti Perry Preschool Project, the Minnesota Early Learning Design in Minneapolis/St. Paul and other studies which underscore the importance not only to the child, but to the taxpayer and society, of public preschool

education. According to the Ypsilanti Perry Project report, for every \$1,000.00 that was invested in the preschool program, at least \$4,130.00 has been returned to society in the form of reduced costs for special education, legal processing for delinquent behavior and increased earnings of participants. Students who experienced the preschool program subsequently averaged 1.8 years of special education, whereas those that did not have it averaged 3.8 years. For every 100 pupils who had the program 35 dropped out of high school, whereas 55 of every 100 students attended college or took job training courses while of those without the program, only 21 did so. Clearly, the research underscores the importance of making a commitment to public kindergarten programs.

In addition to the establishment of a public kindergarten program, the remaining major need of the school district, in my opinion, is additional classroom space. I strongly support the attempts of the school board and the study committee established last year to pursue the creation of a cooperative school district with adjacent towns.

Once again I wish to emphasize that during the coming Legislative session there will be renewed activity to gain additional funding for the State Foundation Aid program. If the Foundation Aid program is fully funded, the Milton School District would receive in the coming fiscal year \$229,268.00 as opposed to \$180,720.00 during the current fiscal year. I strongly recommend that all voters of the School District contact their State Representatives and State Senator in support of increased levels of State funding for public education. Major increases in State financial support for local school districts is the only method of alleviating the archaic reliance on the property tax as the major means of funding our schools.

On behalf of the members of the School Administrative Unit #44 staff, I wish to thank the members of the School Board, principals and staff for their untiring efforts and continued support on behalf of our children.
